Administrative Policies and Guidelines

The administrative policies and guidelines listed below are provided to ensure that the mission of the Foundation is accomplished. Insofar as it is in keeping with donor preferences, all private gifts, grants and contributions bestowed to the university are deposited in the Foundation.

A management fee is assessed on all eligible gifts, grants and contributions excluding scholarships. The Foundation conducts formal fundraising campaigns on behalf of NCA&T, as the need arises, in conjunction and cooperation with A&T's Office of Development and University Relations.

The Foundation provides resource personnel to assist A&T faculty and staff in the preparation and submission of proposals.

The Foundation, in collaboration with A&T personnel, identifies and establishes ongoing relationships with potential funding agencies.

In cases where university units and personnel establish and develop their own fundraising capability, the Foundation provides a depository, a management and distribution service with requirements agreed upon by the Foundation and the relevant university personnel.
At a meeting of the governing board held on March 9, 2000, the board adopted a policy of non-discrimination as follows:

No person is excluded from services because of race, color, religion, sex, age, national origin or physical or mental disability.

There is no discrimination on the basis of race, color, religion, sex, age, national origin or physical or mental disability with regard to hiring, assignment, promotion or other conditions of staff employment.

Purchase Request Policy

**BACKGROUND:**

Numerous purchase requests and calls are being made to the Foundation for emergencies. These emergencies are creating unnecessary delays in processing of purchases orders for departments submitting their purchase requests in a timely manner. The following policy has been approved in order to avoid an increase
of administrative fees as well as avoiding an increase of additional staff to process the emergencies.

**POLICY:**

To maximize and provide efficient and timely service to all departments, the foundation can no longer honor requests for emergencies. All purchase requests will be processed within three working days. Therefore, with careful planning and cooperation from the departments, we can keep expenses to a minimum.

The purchase request form is a request submitted by a department requesting a purchase order to purchase items from a budget or fund account.
