Wake Up and Smell the New Epistemology - The Chronicle Review - The Chronicle of Higher Education
chronicle.com
Popular epistemologies are funny things. The latest one slipped into our party unannounced, slowly reclaiming all the food and decorations, and then started barking loudly when we asked how our Mexican Resta had turned into a country-western barbecue...

Just a thought: In this day and age, most Americans I encounter seem to take to “critical thinking” rather easily. We do it naturally in many cases as we’re inundated with technology and have information at our fingertips. Unfortunately, this kind of everyday critical thinking tends to be ironic, sarcastic, and jaded...
